

Honda S660 カスタマイズ

Honda S660 Customize

We will display a Honda S660 with a original unique customization. The car will be wrapped in orange, which is Yachiyo's corporate color, also with the interior designed in orange. The vehicle will also be mounted with the CFRP-made engine hood. Based on the technological expertise of producing the small quantity models such as the S660, we will also help boost customers' idea become real and characterize in the field of special purpose vehicles.

Spot 1

Spot 2

自社のラッピング（フィルム施工）技術によるオレンジのボディラッピングとブラックストライプで外観をよりスポーティに魅カアップ

落ち着いたあるソフトな触感とカラーの融合
高輝度シルバー層に樹脂入りカラークリアを積層することで高彩度なソフト調を表現

Spot 3

注目材料CFRP（炭素繊維強化プラスチック）による超軽量エンジンフード
純正比：約42%もの軽量化を実現

With the compiled technology that we have acquired from the production of a racing wheelchair, we will display a Honda S660 mounted with a CFRP engine hood which overwhelms the lightness of the genuine parts.
